

# THE BOOK OF REVELATION

## 10. The Throne Room

### Introduction

At the time when John wrote the Book of Revelation the Christians were facing persecution, temptation and complacency, just as the church is today. The believers needed the encouragement and rebuke Jesus gave in His letters to them. However Jesus knew that they could only overcome when they saw who He truly is and understood the hope they have in Him. So Jesus gave this amazing revelation of Himself and the plans He has for those who love Him, to the Apostle John, to pass on to the believers. This revelation was not just for those who lived in John's day, but for all who would follow in the generations to come, and especially for those who would live in the last days. This revelation is for us!

**Scripture Reading:** Revelation 4 and 5

John found it difficult to describe the glory that he saw in the Throne Room. Each part of his description reveals more about the One who sits on the Throne, and the glory of that place. Look carefully at the description and explain each part of it. Revelation 4:3-6
